OLBC RFC Members Draw

OLBC RFC are running a member's draw for a prize of €500 each month. Entry into the draw is €10 per month, payable by Standing Order, and includes yearly membership of the club.

The Standing Order needs to be signed for the 1st of the month and entry to the draw will commence from receipt of the first mandate into the club's account. It is intended to run this draw on an ongoing basis so we would ask member's not to put an end date on their Standing Order. Proceeds from this membership draw will go directly to the club's development fund which is used to fund major projects rather than the day to day running expenses of the club.

Please find the Standing Order form attached, thank you for your support, and best of luck in the draw!!!!
